for your health

**DISINFECTION AND CLEANING IN ALL
SANITARY AREAS THROUGH
ABIREIN[®]LIQUID**

**RELIABLE, EFFECTIVE, INEXPENSIVE, SAFE,
ENVIRONMENTALLY FRIENDLY AND FULLY BIOLOGICALLY DEGRADABLE**

ABIREIN[®]LIQUID DISINFECTANT USEFUL IN ALL SANITARY AREAS

ABIREIN LIQUID IS A VERY POWERFUL SURFACE DISINFECTANT AND WORKS WITHIN 60 SECONDS AFTER THE APPLICATION

ABIREIN LIQUID is environmentally friendly and contains no alcohol, phosphates, tensides or formaldehydes.

ABIREIN LIQUID is after the application biologically quick and totally degradable.

All surfaces, objects , fittings , equipments etc (sinks, showers, shower-heads, toilet seats and bowls, table surfaces, work surfaces, floors and walls) should be wiped down using the prescribed concentration of **ABIREIN LIQUID**. The surfaces are sterile after a waiting period of just 60 seconds.

We can supply the ABIREIN LIQUID DISINFECTANT with a ph-level of 5 to be used directly disinfecting all sanitary facilities.

ABIREIN LIQUID PROVIDES PROTECTION AGAINST INFECTIOUS DISEASES AND KILLS:

- **All known bacteria like:**
Salmonella, E. Coli, Streptococcus, Enterococcus, Shigella flexneri, S. Typhimurium, S. aureus, Legionnaires disease, TBC, HBV Hepatitis, MSRA, EHEC etc.
- **Fungi and Algae**
- **Virus**

FOR EVERYDAY INDUSTRIAL, AND HOME APPLICATIONS

- Cleaning and disinfecting surfaces, walls, doors, windows, floors, equipment in saunas, sun studios, sport and fitness facilities, kitchens bathrooms, toilets etc.
- Disinfection of air conditioners
- Cleaning and disinfection of surfaces and equipment in food preparation areas
- Cleaning and disinfection of all sanitary facilities
- Disinfection of hot water tanks and containers
- Toilet facilities, urinals, waste bins and drains are not only disinfected but also free from bad odours.
- Is also eliminating ammonia and organic substances like phenol

ABIREIN LIQUID can be used diluted with water, according to the degree of contamination and the required level of hygiene. **ABIREIN LIQUID** is cost effective and unbeatable in the eradication of all harmful organisms.
